

Daily Declaration

Eyes you will **ONLY** look for the Move of God.

Ears you will **ONLY** listen for the Voice of God.

Mouth you will **ONLY** speak the Word of God.

Mind you will **ONLY** meditate on the Word of God.

Body you will **ONLY** behave the way the Word of God says
you're supposed to behave.

Tribulations do **NOT** make it hard to do the will of God, it allows
us to do the will of God more efficiently.

There is never a struggle in what God gives us. The struggle
comes when we are **NOT** surrendered to His will.

Our marriage, family, career, and life are perfect, that means
complete, because if God is in us then we are complete.

It takes God to show us how to be aware of what's in us.

We are spiritually, emotionally, physically, and chemically free.
In Jesus Name!
